

TechYeet

Jobseekers Club

Networking to Jobs

About Us

The most effective way to find jobs is through professional networking. TechYeet is not just a community –it is a platform specifically designed to facilitate that networking. We help our members develop the skills needed to maximize their networking opportunities within the community, enabling them to find jobs and achieve their professional goals.

What are the benefits?

- Weekly 45-minute meetings with encouragement, accountability, and support
- Speakers offering tips and useful information
- Assistance with personal branding
- Active networking opportunities
- Referrals to managers
- Opportunity to become a community builder, with mentorship and guidance on developing that unique skill set (the "easy button" to professional networking)
- 50% off the first annual membership in the TechYeet Leadership Club (subject to separate qualification criteria)

What's required?

- Club members are expected to actively engage in the TechYeet community and build meaningful connections with fellow Club members
- As a paid club, your membership not only benefits you but also supports the community. The two membership options are:
 - **Jobseekers Club Membership:** \$500
 - **Leadership Club Membership:** Included is the Jobseekers Club if/when needed
